

A RESOLUTION

Providing for the creation and adoption of the Board's public policy that it supports the Governor's desire to combat the opioid epidemic.

RESOLVED, that at present, the Commonwealth of Pennsylvania is facing an unparalleled opioid epidemic that is taking the lives of hundreds of its citizens, across all ages, races, and socio-economic backgrounds. The Governor is actively working on ways to reduce the effects of opioid use and combatting the opioid epidemic. The Board supports the Governor's desire to combat the opioid epidemic.

NOW THEREFORE, the Board adopts this resolution as its public policy.

ATTESTED

BOARD SECRETARY
